

Visa application form guide

Inside the UK

This guide is designed to provide guidance for University of Exeter students, aged 16 or over, to apply for a Student visa from inside the UK. For dependants click [here](#) for further information.

You will be able to save your application and come back to it at another time if you need to (click 'Return to this application later'). If you are inactive for 25 minutes you will be automatically logged out.

IMPORTANT

Answer each question fully and truthfully. Failure to declare something on your form will be seen by UKVI as deception and will result in this application (and possibly future applications) being refused. Providing the correct information will not automatically lead to a refusal. If you need advice about your specific situation, [contact us](#).

Setting up your application form

Click [here](#) to start

1. **Where are you planning to live?**
Select 'England, Scotland, Wales or Northern Ireland'
2. **Do you have a current EU, EEA or Swiss passport?**
If you have one of these passports choose 'Yes' otherwise choose 'No'
3. **Do you have a valid UK biometric residence permit (BRP)?**
If you have a valid BRP choose 'Yes' otherwise choose 'No'
4. **Is your name on your biometric residence permit the same as on your current passport?**
Answer 'Yes' or 'No'
5. **Is your name on your biometric residence permit the same as on your current passport?**
Choose 'Yes' or 'No'.

Depending on your answers to the questions above, you will either be led to a webpage with the heading '**Check you can use the app**' or '**Student**'.

If you are led to the page titled '**Check you can use the app**' you will be asked to check if you can use the '**UK Immigration ID check**' app to verify your identity.

We highly recommend using the app to start your application form and scan your BRP card. If your phone doesn't work, ask to borrow a friend's phone. No information is stored on the app or the phone after you close it.

If you use the app, you will NOT need to attend a biometric appointment as your biometrics will be re-used. To proceed using the app, click '**Continue**' and then '[Create an account](#)' or '[Sign in](#)' if you already have one.

If you are led to the page titled '**Student**', you will be redirected to the version of the application form that allows you to book a biometric appointment once you have submitted the application.

Scroll down and click '**Apply now**'. The questions in this guide will be in a slightly different order but we still recommend that you use it. **Go to page 4 of this guide.**

Travel to Australia, Canada, New Zealand, USA, Switzerland or European Economic Area

Indicate how many times you have travelled to Australia, Canada, New Zealand and the European Economic Area. Details about which countries are members of the EEA can be found [here](#). You will then need to provide details of your trips, including dates and your reason for travel.

Provide the start date of your current immigration permission. If you have a BRP please use the 'issue date' on the front of your BRP, NOT the start of the entry clearance vignette in your passport.

If you are sponsored by your government, an international company or university, you can tick 'yes' and select how this will be evidenced. If you are submitting your application with International Student Support and have your payment receipt available during the appointment, the adviser will be able to update the fees on your CAS.
