And will be received by those who go on to:

- meet the conditions of that offer as set out in their offer letter, including paying a deposit
- enrol on that programme in January 2025.

These awards are intended for self-funded students.

Only the programmes listed above are eligible. (Postgraduate Certificates, Postgraduate Diplomas, Degree Apprenticeships, fully online or distance learning programmes are not eligible.)

This award will be automatically allocated to eligible applicants applying by 1 December 2024 for January 2025 entry. A separate application is not required.<sup>i</sup>

This scholarship will be awarded as a reduction in tuition fees; it cannot be paid as cash or attributed to other charges such as accommodation fees. It will be automatically deducted from your first-year tuition fees following enrolment. If you choose to pay your tuition fees in instalments, the award will be deducted from the total annual tuition fee and the remaining balance split accordingly.<sup>ii</sup>

This award is for one year only and is not recurrent for subsequent years of study.

You cannot normally receive more than one scholarship from the University of Exeter; if you are eligible for multiple scholarships, you will be awarded whichever scholarship has the higher value. However, this scholarship can be received together with a University of Exeter Global Excellence Scholarship 2024/25 (£7,500 award).

If your tuition fees will be financed by an external body (such as an overseas government or Chevening, Commonwealth or a partner Institution) with whom the University has a shared financing agreement then this award may be invalidated or superseded with a different fee arrangement.

If you expect to receive funding from a charity this may also make you ineligible to receive this scholarship.

It is your responsibility to inform us if you are in receipt of any external funding prior to enrolment; please email a copy of the award letter to admissions [pg-ad@exeter.ac.uk](mailto:pg-ad@exeter.ac.uk)

If you defer your 2024/25 offer or change fee status, then your scholarship offer will be invalidated. In the event that you withdraw or interrupt your studies post enrolment then the University Finance regulations at that date will apply as regards any repayment or other requirements:
