Travelling By Train

University
of Exeter

When you arrive at Bristol Airport you will need to catch the **A1 bus** (also called the Airport Flyer Express) from outside the terminal to **Bristol Temple Meads** train station.

The **Airport Flyer Express** leaves every 12 minutes and is available 24 hours a day, 7 days a week. It takes around 30 minutes and drops you at the railway station.

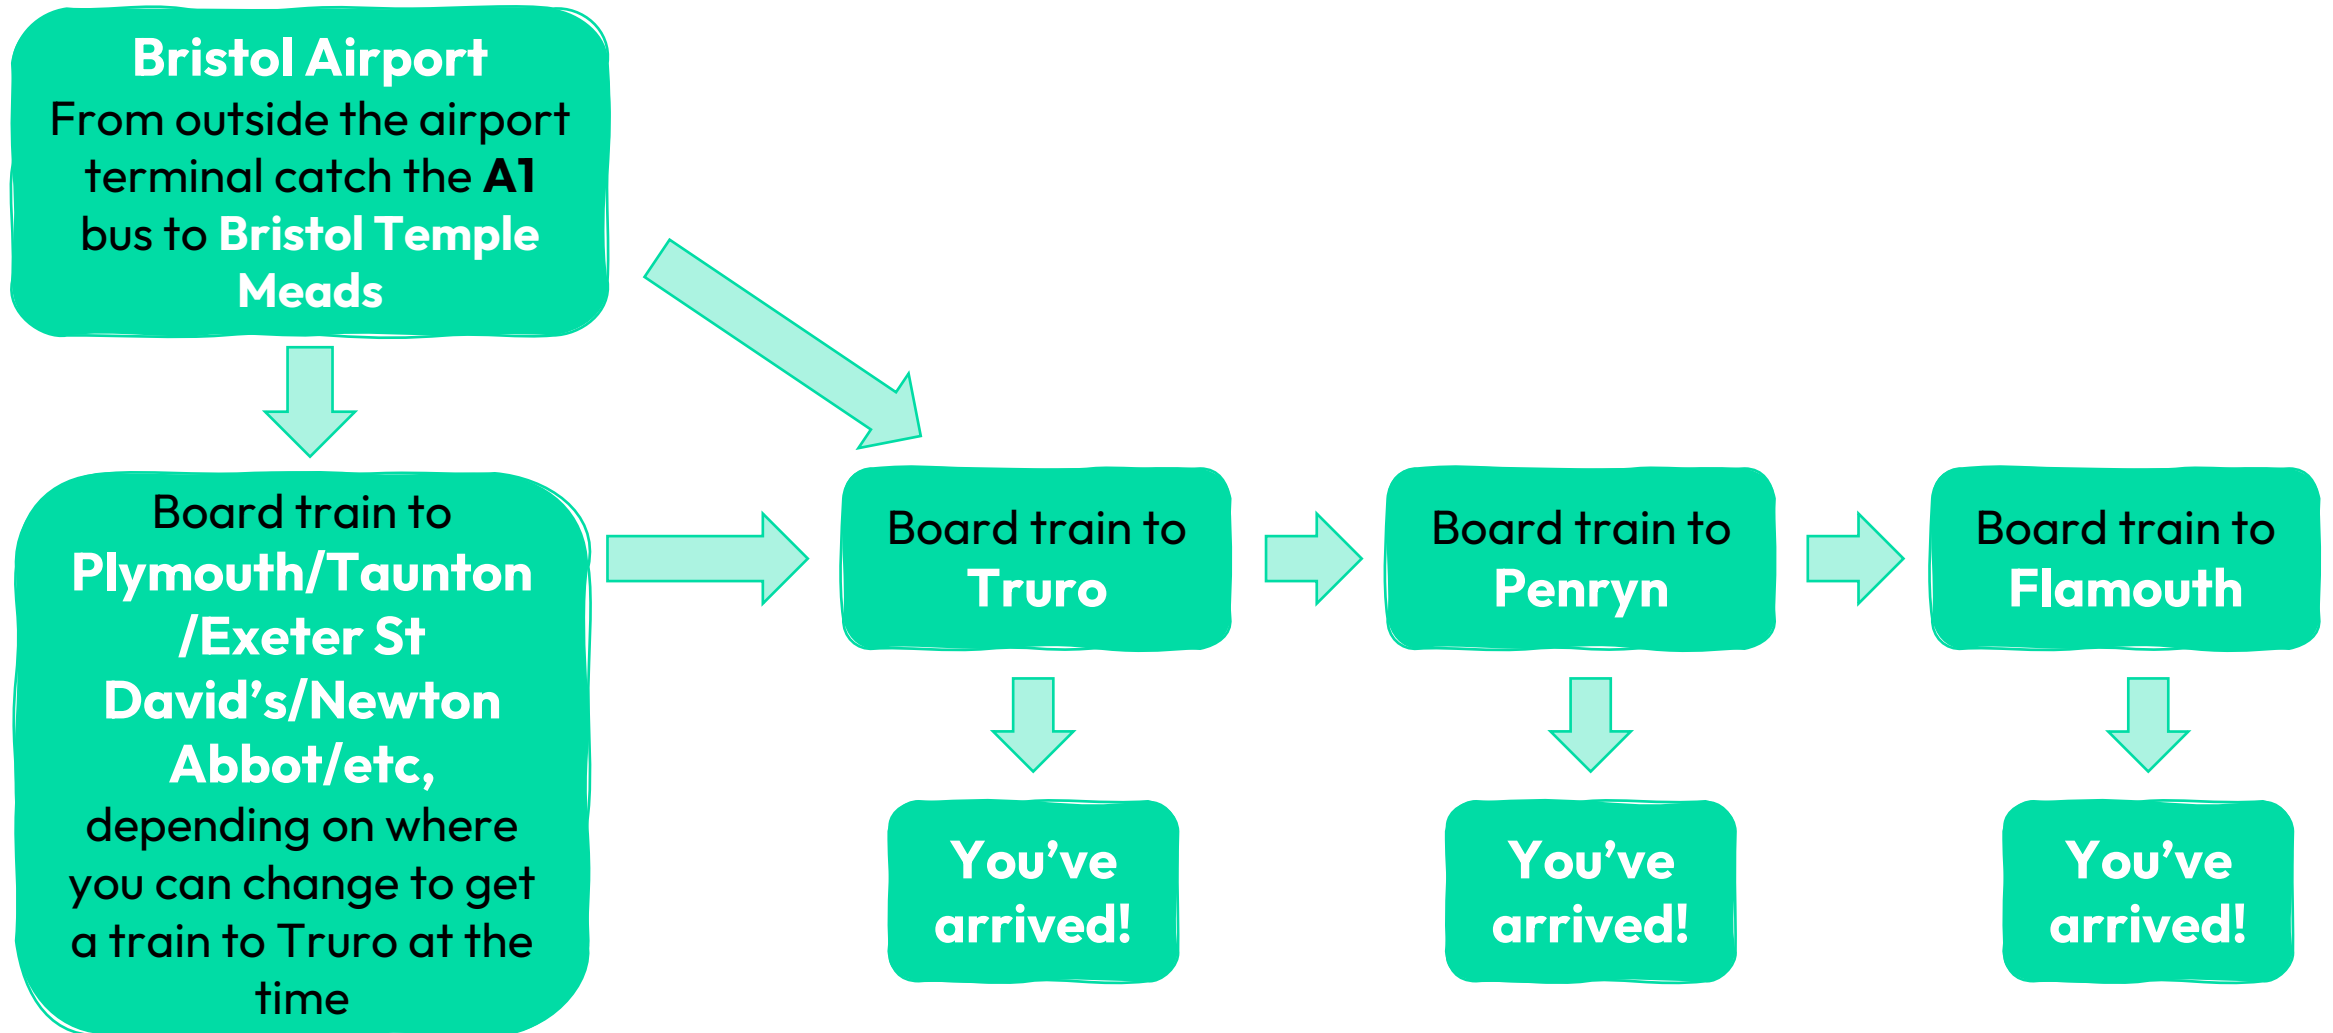

From **Bristol Temple Meads** train station, you will need to get a train to **Truro, Penryn** or **Falmouth** (depending on where your accommodation is).

It is possible that you will need to change trains to get to Truro. You can then change trains at Truro for one that goes to Penryn and Falmouth stations.

It is advisable to pre-book your ticket due to price and availability. Here is the website for booking your train tickets online: <https://www.thetrainline.com/>
