Tuition fee instalments:

Tuition fees are due by the dates shown within section 6 of the [University Student Finance Regulations](#): 'Due dates, sanctions and penalties'.

Unless advised prior, most students are eligible to pay their fees through our standard instalment plan. You have the choice either to pay all of your tuition fees for the whole academic year at the start of your course, or to pay using the standard instalment options as follows:

- 50% by the term 1 due date
- 50% by the term 2 due date

Any tuition fee waiver, SLC tuition fee loan, or sponsorship will be offset against the gross tuition fee.

There is also the option to use the automated instalment plan (RCP) for a 3 monthly payment instalment plan (PGT only), or a 6 monthly payment instalment plan.

UG/PGT/PGR (September/October starters) – Select “Tuition Fees Oct 6 Instalments”:

- Instalment 1: Immediately upon initiation of scheme

- Instalment 4: 04 February 2025
- Instalment 5: 04 March 2025
- Instalment 6: 01 April 2025

The scheme creates an instalment plan and automatically requests a card payment from your card issuer on the dates above. The scheme can be accessed and set up via our [online card payment portal](#).
