COMPETITION

At the University of Exeter, we want to hear your ideas about Computer Science. We're inviting A-Level, IB, BTEC and GCSE students in any subject to send us a response to one of the questions below:

How has computer science contributed to improvements in other fields?

Why is it essential to test software before it is used by the end user?

Discuss how the development of artificial intelligence will shape the future of work?

There will be two prizes. One for the best essay (1000 words), and one for the best video (6-7 mins)

To enter, simply fill out the form available via the QR code below. The deadline for entries is 25th October 2024.
