Webinar Series

Our Discover University platform provides information, advice and guidance for prospective students. We host regular Discover University online webinars which take place on Monday evenings from 6-7pm. They are an opportunity for you to find out more about university, consider your options and to hear about specific courses.

Topics this year include:

- Introduction to higher education
- Choosing a course and university
- Considering a competitive university
- UCAS process
- Degree apprenticeships
- Student life
- Considering the University of Exeter
- Student finance
- Personal statement

Subject specific sessions:

During our subject specific sessions, you can hear about the structure of the course, how to apply and a personal perspective from current students.

- Medicine
- Law
- Finance, Accounting & Economics

Book to attend

Feel free to sign up for as few or many as interest you. You can bring your questions and queries to ask of both university staff and current students.
