

Lift accessible route to the Neil Cross room (see page 3 for stepped route)

Enter the library via the barriers on the ground floor of the Forum building (number 3 on [the campus map](#)). Bear diagonally right and then walk into the main entrance of Level 0.

Continue walking towards the line of yellow shelf ends. When you reach them, turn right until you reach the end of the row, then turn left. The lift will be ahead of you on the right.

Enter the lift and go to floor 1. On arrival, exit and walk straight ahead until you reach the far wall, then turn left.

Walk straight on until you reach the end of the shelving rows, and then turn right. You will then be able to see the doors to the Neil Cross room ahead of you to the right.

Stepped route

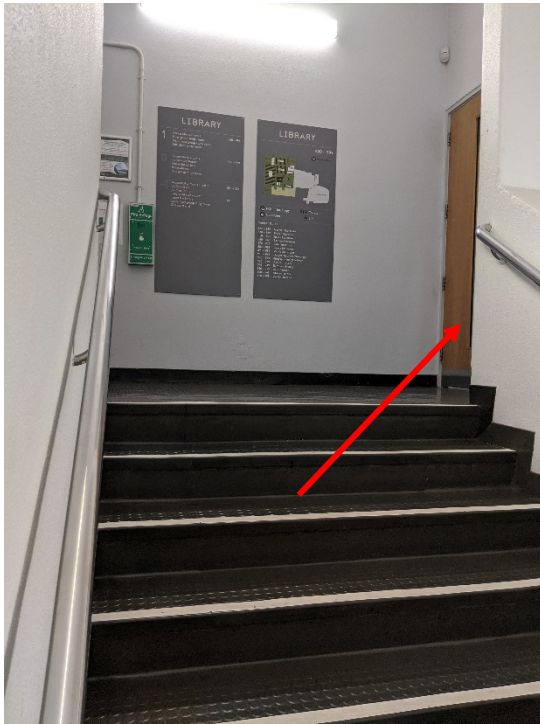

Enter the library via the barriers on the ground floor of the Forum building (number 3 on [the campus map](#)). Bear diagonally right and then walk into the main entrance of Level 0.

Immediately on the right will be some double doors to a staircase. Go through the doors and up the stairs until you reach Level 1.

On arrival at Level 1, exit via the doors on the right. Walk straight on, and the Neil Cross room will be on your left.

If you have any difficulties finding the room, please ask a library staff member, or call our administrative team on **01392 723880**.
