# HELP deciding

What can you do with your degree?

What employment schemes does the Uni run?

The Career Zone website has plenty of advice on researching and deciding your possible career options

Researching options

Researching careers

## 1-1 APPOINTMENTS

When you've done some research, you can access appointments for anything from figuring out what career would suit you, to reviewing your job applications

(Law and Business School students can book their own appointments via Handshake)

# HELP finding a job

Knowing where to start can be hard, so check out our recommended step-by-step timeline for career success

Are you looking for an internship, placement or grad role?

Did you want part-time work alongside your studies?

## Handshake

Our partner careers platform where jobs, internships and workshops can be found

## SKILL SESSIONS

We run a variety of skill sessions, both in-person and virtual, for personal and professional development

# HELP with applying
