

### 01 BUILD FRIENDSHIP

Work out if you would make a good team

WE MIGHT BE DIFFERENT... BUT I STILL LIKE YOU

### 02 BE REALISTIC

Put work in to develop a good relationship

BUILDING A LASTING RELATIONSHIP INVOLVES FIGURING OUT WHO YOU EACH ARE AND WORKING WELL TOGETHER.

### 03 KEEP TALKING

Work at any problems as they crop up

I'M GLAD I CAN TALK TO YOU...

### 04 GET SUPPORT

Work through hard times with help from family & friends

*Falling in love is fun but, like a gym membership, keeping your relationship fit involves time and commitment even when you don't feel like it but working at relationships is worth the effort!*
